This video goes over GMC Denali Navigation system. This will show you alot of the features and how to's of the system.

### GMC Navigation how to.

I just called the GM Nav disk center hoping to get a map update for my 2004. The rep I spoke with said it was only for model years 2006 & 2007. It was an incentive they offered trying to get more people to buy the NAV package on the vehicle. The offer for 2006 models included 1 free map DVD during 2007 and another during 2008.

### free navigation update | Cadillac Owners Forum

I want to someday add the luxury amp and deck to my 04's Bose system but I just want the regular deck. That said I need to get the deck and amp for nothing because if I have to pay what people ask on the net I may as well buy some real aftermarket components. Even a GM nav system for a 2013 would tell me the roads I am driving on don't exist lol.
