A Business and Its Beliefs | nguyenbaolinh

Generally most businesses and even small businesses have beliefs or philosophies to which they adhere. In Australia it is rare for small enterprises to actually document their own beliefs. Many businesses have not analysed their own beliefs, and others have not taken the time to even consider theirs, let alone document them.

Damien Cole Group - A Business and Its Beliefs

Ownership is one of the most important beliefs in business. In a financial context, maintaining ownership of your company keeps you in charge. Broadly speaking, working with an owner's mind means that you own your choices. When you take responsibility, you can fully celebrate your victories!

Your Business Will Grow Quickly If You Have These 10 Beliefs

Obviously, if you are in business, you have that belief already. At least, you have some inkling of belief with that. It might not be a conviction to the point yet where you're going to spend 16 years pursuing it, and that's why you got to have the other two beliefs as well.
