English Phonetics and Pronunciation Practice (2017 edition ...

In 1909, Jones wrote the short Pronunciation of English, a book he later radically revised. The resulting work, An Outline of English Phonetics, followed in 1918 and is the first truly comprehensive description of British Received Pronunciation, and the first such description of the standard pronunciation of any language.

Daniel Jones (phonetician) - Wikipedia

Like many other languages, English has wide variation in pronunciation, both historically and from dialect to dialect. In general, however, the regional dialects of English share a largely similar (but not identical) phonological system. Among other things, most dialects have vowel reduction in unstressed syllables and a complex set of phonological features that distinguish fortis and lenis ...
