After Silence

After Silence is designed to help victims become survivors, and communicate in the recovery of sexual violence. Our mission is to support, empower, validate, and educate survivors, as well as their families and supporters.

After Silence

After Silence is Nancy Venable Raine's eloquent, profoundly moving response to her rapist's command to "shut up," a command that is so often echoed by society and internalized by rape victims. Beginning with her assault by a stranger in her home in 1985, Raine's riveting narrative of the ten-year aftermath of her rape brings to light the truth that survivors of traumatic experiences know--a trauma does not end when you find yourself alive.

written, but as I said before, it is not Carroll's best. It's a decent place to start out, it's a lot more grounded in reality and straightforward than many of his novels. This one is still one of his better novels though.

After Silence - Kindle edition by Carroll, Jonathan ...

After Silence is an eloquently-written memoir of one woman's experience of rape and the emotional, physical, and mental effects of the abuse. Venable Raine illustrates the long-term consequences of rape, including the need to "build a new life", almost as if a survivor needs to reincarnate in order to survive.

After Silence: Rape & My Journey Back by Nancy Venable Raine

After Silence is in many ways a very "Jonathan Carroll" novel in its marvelous depiction of human relationships, of quirky females, and, of course, a dog. The first part of After Silence really
