An Introduction To Political Geography

An Introduction to Political Geography reviews the history of the rise and fall of centres of power, draws on a wide range of detailed international case studies to illustrate current trends, and discusses future developments.

An Introduction to Political Geography: Short, John Rennie ...

An Introduction to Political Geography provides a broad-based introduction to how power interacts with space; how place influences political identities; and how policy creates and remoulds territory. By pushing back the boundaries of what we conventionally understand as political geography, the book emphasizes the interactions between power, politics and policy, space, place and territory in different geographical contexts.
