Australian Cooking with the Weber Family Q.

Inspired by his passion for grilling the best steaks for family and friends, Weber's founder, George Stephen, invented the revolutionary kettle grill in 1952. George knew that a rounded cooking bowl with a lid was the key to success. He added three legs to the bottom, a handle to the top, and the rest is history.

Australian Cooking with the Weber Family Q | Weber

The foil lies on the cooking grill directly above the lit burner and below the Weber roasting trivet (accessory). The trivet allows superheated air to con- vect all around the roast and prevents the insulating foil from sticking to the meat. The picture below (a Weber®Spirit®2 burner barbecue) shows how it's done.
