Beginnings Intention And Method

A "beginning," especially as embodied in much modern thought, is its own method, Edward Said argues in this classic treatise on the role of the intellectual and the goal of criticism. Distinguishing between "origin," which is divine, mythical, and privileged, and "beginning," which is secular and humanly produced, Said traces the ramifications and diverse understandings of the concept of beginning through history.

A beginning is a first step in the intentional production of meaning and the production of difference from preexisting traditions. It authorizes subsequent texts—it both enables them and limits what is acceptable.

Beginnings | Columbia University Press

BEGINNINGS to one another, another, an adjacency that Vico also sees in the first men congregating in families. All this entails a method of argument that moves from one constellation or cluster of ideas to another. For example, Vi co says thatpais the first syllable uttered by man in imitation of a frightening thunderbolt.
