Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy.

Building Your Ideal Private Practice

Building Your Ideal Private Practice, a best-seller in its genre, is now fully revised after its original publication in 2000. Much has changed for therapists in private practice over the past fifteen years, including the widespread encroachment by insurance and managed care into the marketplace, the density of new therapists as over 600,000 therapists nation-wide try to stay viable, and the role of the Internet in marketing services.
