Cambridge Technicals - Engineering - OCR

Cambridge Technicals are a new suite of vocational qualifications at Level 2 and Level 3 for students aged 16+. They're designed with the workplace in mind and provide a high-quality alternative to A Levels, with a great range of subjects to choose from. The qualifications allow for a high degree of flexibility with the choice of units that make up the qualifications, so students can specialise in the specific areas of the subject that interest them most.

Engineering qualifications - OCR

Cambridge Technicals are vocational qualifications at Level 2 and Level 3 for students aged 16+. They can be offered alongside A Levels as part of a balanced curriculum. Our Technicals qualifications in Engineering develops students' understanding of the underpinning mathematics and scientific principles of engineering.
