Chemical Principles The Quest for Insight 6th edition

Demonstrating the connections between fundamental chemical ideas and their applications, Chemical Principles constantly asks you to think about nature and matter, and visualize chemical concepts as a chemist would. Writing for the calculus-inclusive general chemistry course, the text offers an impressive level of support as you build up skills in math and problem solving.

Chemical Principles 7th Edition | Peter Atkins | Macmillan ...

I have contacted the publishing house, the Italian edition does not have solutions manual, they haven't translated the solutions. So if i can find the solutions in English it would be great. I have found at this website for 20 dollars.
