The Concise Guide to Dermal Needling - APAN

I like to call Dermal Needling "the poor mans laser" because though it takes longer, and needs to be used for 3 to 6 months consistently, the results are amazing and much cheaper than laser skin resurfacing and tightening. Any body interested in anti-aging and improving the overall health and appearance of their skin needs to read this book.

The Concise Guide to Dermal Needling by Dr. Lance ...

Dr. Setterfield is author of The Concise Guide to Dermal Needling. I definitely agree that dermal needling is an amazing treatment, but many people aren't doing it the quite the way that they should (and performing it incorrectly can be dangerous). On today's episode, Dr. Setterfield gives us some great advice on what dermal needling is, how to successfully perform dermal needling on clients and how it can really change people's skin.
