own existence as a species).

## | CIEHF Publications

Human Factors: The Journal of the Human Factors and Ergonomics Society publishes peer-reviewed scientific studies in human factors/ergonomics that present theoretical and practical advances concerning the relationship between people and technologies, tools, environments, and systems.

## Human Factors: SAGE Journals

Healthcare understands the importance of Human Factors and Ergonomics (HFE) in design and improvement of all aspects of the healthcare system<sup>1</sup>. However, dissemination and integration of HFE thinking in healthcare has been slow<sup>2</sup> and often focussed on the development of individual and team non-technical skills.
