Dardanelle And The Bottoms Environment

Between 1819 and 1970, the town of Dardanelle, Arkansas, located on the south side of the Arkansas River in Yell County, Arkansas, experienced sustained prosperity and growth made possible by the nearby farming community known as the Dardanelle Bottoms. A reciprocal relationship between the town and the Bottoms formed the economic backbone on which the area's well-being was balanced.

Dardanelle and the Bottoms: Environment, Agriculture, and ...

Dardanelle and the Bottoms is an excellent case study of the rise and fall that affected many southern rural communities where geography, commerce, and industry often determined which survived and which declined. It also is a reminder of the importance of local history in understanding how national and international events affect communities and individuals."
