### Castles | Reading Comprehension Quiz

Erma claims she can never forgive the kids and they can no longer stay with her. The family can't afford a rental in Welch proper, but Mom and Dad find a place over one of the mountains and up a one-lane road called Little Hobart Street. The houses here are shabbier than the ones in the valley, but their new home is the shabbiest of all: gray and drab, it juts out from the hillside, perched ...
