Lab Manual - eScience Labs - Yumpu.com
The lab manual is going to guide you through each lab. Each lab starts with an introduction to reengage key topics covered by your instructor, tells you which materials you'll need, asks for pre-lab questions, works you through the labs step-by-step, and gives you post-lab questions and exercises to complete.

eScience Labs FAQs
For a lab manual, the author typically is the professor or instructor of the class in which the manual is used. Start with their last name, then a comma and their first and middle initials. Capitalize initials with no periods or spaces. Place a period after the author's name.
