Marriott Corporation (A) - Case - Harvard Business School

Deals with the decision of whether to split Marriott into two companies Marriott International and Host Marriott. Marriott has run into problems owing to the decline in real estate valuation. At the time of the case, it has a significant percentage of assets in hotels it planned to sell. The problem makes it difficult for Marriott to pursue growth strategies.

Marriott Corporation - Harvard Business School

Marriott is considering the repurchase of ten million shares. This is apparently at odds with the financial policies that the Board of Directors passed two years earlier. Students must discuss why the policies were passed and why changes are now necessary. Includes a discussion of debt policy, financing policy and dividend policy. Students also discover stock is currently undervalued.
