The Great Depression. The Myth: Starvation was rife in the Great Depression. It is very common when hearing about the Great Depression to imagine hoards of families starving to death due to lack of food and money, but while money was, indeed, scarce, most people were able to survive through resourcefulness and charity.

Rather than a work of science, this richly illustrated volume offers fare for the imagination with its fascinatingly odd menagerie of creatures both real and imaginary. Victorian author John Ashton assembled historical accounts of everything from centaurs and unicorns to narwhals and wolves by authors such as Pliny, the ancient Roman naturalist, and Edward Topsell, a 17th century English ...
