INTERNET THE DEATH OF NEWSPAPERS

the age of the Internet, online news businesses are popping up daily, leaving print news in dust. As a result, many newspapers are realizing they need to tailor their news-delivering techniques to be quicker and more accessible. It has been a slow and difficult process, but hundreds of newspapers are transforming the way they approach news.

Transformation of Newspapers in the Technology Era

Online newspapers and print newspapers have very different pros and cons, but neither is mutually exclusive. Rather, one form of news may appeal over another based on a particular reader's lifestyle. Although online news has very wide usage, we can expect to see both forms of news coexisting into the future, serving slightly different purposes.
