architecture and in this book he connects the dots between authority, Buddhism, classification, the Internet, culture, quantum entanglement and running a marathon. His book *Intertwined: Information Changes Everything* explores how everything is interconnected.

Intertwined: Information Changes Everything | Dennis Swennen

— Peter Morville, *Intertwined: Information Changes Everything*
“Consider a turkey that is fed every day. Every single feeding will firm up the bird’s belief that it is the general rule of life to be fed every day by friendly members of the human race “looking out for its best interests,” as a politician would say.
