In the 30-year struggle to abolish slavery, John Greenleaf Whittier played an important role as a poet, as a politician, and as a moral force. Although he was among the most ardent of the antebellum reformers, he was saved from the besetting sin of that class—a narrowing and self-consuming zeal—by his equal insistence on tolerance, a quality he had come to cherish all the more through his ...

1. Life. John Stuart Mill was born on 20 May 1806 in Pentonville, then a northern suburb of London, to Harriet Barrow and James Mill. James Mill, a Scotsman, had been educated at Edinburgh University—taught by, amongst others, Dugald Stewart—and had moved to London in 1802, where he was to become a friend and prominent ally of Jeremy Bentham and the Philosophical Radicals.
