While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

The AV600 A/V tuner/preamplifier is Marantz's second Home THX component, following the compact and versatile MA500 singlechannel power amp. Besides full Home THX enhancement of Dolby Pro Logic processing, an AM/FM tuner, and considerable A/V switching capability, the AV600 has a few features that set it apart in usability and convenience from other Home THX controllers we have tested.
