A medicine cat's main job is to heal their fellow Clanmates of their wounds and sicknesses. They have many ways of doing so, mostly through herbs and berries kept in the medicine cat's herb store inside their den. It has been noted by Erin Hunter that these remedies should never be used on pet cats, and that sick pets should be seen to by a vet instead.= Treatment of wounds= Treatment of ...

UW Laboratory Test Guide

PEM (Pediatric Emergency Medicine) Guides was developed as a point of care resource in our Pediatric Emergency Departments at Bellevue Hospital Center and NYU Langone Health. The PEM Guides focus on the essential diagnostic, treatment and disposition decisions. The PEM Guides are not intended to be a definitive resource but were developed to provide the caregiver with a concise answer to the question: “How do I take care of my pediatric patient in the emergency department?”
