James Blades, a popular British percussionist whose most frequently heard work was the ''V-for-victory'' Morse code signal broadcast by the BBC during World War II, died on Wednesday at his home in...

James Blades Is Dead at 97; A Percussionist for Victory ...
No wonder that during World War II (1939-1945) both sides, Fascists as well as Allied, used the music of [Beethoven's fifth] symphony to symbolize triumph — in Morse code, short-short-short-long is the letter "V", as in "Victory" But it also stands for V as in 5, which is the symphony referenced above. My Question: Is V in Morse code • • • − because the main theme of Beethoven's V Symphony is short-short-short-long? Or is this just a really really weird coincidence?

history - Is V in Morse code • • • − because the main ...
The V sign is a hand gesture in which the index and middle fingers are raised and parted to make a V shape while the other fingers are clenched. It has various meanings, depending on the circumstances and how it is presented. When displayed with the palm inward toward the signer, it can be an offensive gesture in some Commonwealth nations, dating back to at least 1900.
