can make even the maturest of adults feel like children again.

### **On Being III - Wikipedia**

On Being III speaks to the inseparable nature of psyche and soma, the tormented mind and body as one."—Los Angeles Times "By turns lyrical, self-mocking, and outlandish, Woolf's meditation on the perils and privileges of the sickbed lampoons the loneliness that makes one glad of a kick from a housemaid and extolls the merits of bad literature ...

### **On Being III: with Notes from Sick Rooms by Julia Stephen**

...

On Being III is a small masterpiece. This is a unique book--compassionate, intelligent, affirming, and comforting, both for the "healthy" among us, and those who have experienced illness. This is Woolf at her best: brilliant, daring, probing, and Hermione Lee's Introduction is a gem.

### **On Being Ill - WordPress.com**

Virginia Woolf's article "On Being Ill" is paired with her mother's guide to amateur nursing, "Notes From Sick Rooms." Hermione Lee and Mark Hussey provide wonderful accompanying essays on the context in which these pieces were written and the interesting ways in which reading them together assists in understanding Woolf, Stephen, and illness.

### **On Being Ill by Virginia Woolf - Goodreads**

In fact, an interesting use of "On Being Ill" would be to juxtapose its claim that in 1930 the body was not taken seriously as a literary theme, with our contemporary obsession with the body. In her pages that describe the world-of-the-recumbent, Woolf teaches eloquently the concept that the ill actually live in a different world from the well.

### **On Being Ill**

ON BEING ILL By VIRGINIA WOOLF CONSIDERING how common illness is, how tremens-dous the spiritual change that it brings, how aston-ishing, when the lights of health go down, the undiscovered countries that are then disclosed, what wastes and deserts of the soul a slight attack of influenza brings to light, what precipices and lawns sprinkled with bright flowers a little rise of temperature ...

### **mojulem - Woolf Online - Content - Contextual - Transcriptions**

Over the course of “On Being III,” Woolf strikingly refigures illness experience as transformative: beyond merely the effects of microbes, illness harbors the potential for “spiritual change” and the revelation of otherwise “undiscovered countries” – vast bodily territories laden with sensations and energies accessible only when ...

### **Revaluing Illness: Virginia Woolf’s “On Being III” - S Y N**

...

Eliot published “On Being III” in The Criterion in 1926, and a revised version was republished the same year in Forum magazine under the alternate name, “Illness: An Unexploited Mine.” Soon, more of Woolf’s more lighthearted works followed, including the novels Orlando and The Waves. And in 1929, she wrote her most well-known piece of nonfiction, A Room of One’s

### **On Being Ill by Virginia Woolf - Plough**

Virginia Woolf on Being Ill and the Strange Transcendence Accessible Amid the Terrors of the Ailing Body “Considering how common illness is, how tremendous the spiritual change that it brings, how astonishing, when the lights of health go down, the undiscovered countries that are then disclosed... it becomes strange indeed that illness has not taken its place with love and battle and ...

### **Virginia Woolf on Being Ill and the Strange Transcendence ...**

On Being Ill starts from the simple but interesting observation that although illness is a common, almost universal experience, it is surprisingly absent from literature as a topic of interest. This is rather like her similar observation about the absence of women in the annals of literature which led to her epoch-making
