Bring the ultimate 4K experience home with the Optoma UHD60 The Optoma UHD60 is a 3,000 lumen 4K Ultra High Definition (UHD) home theater projector that delivers breathtaking image quality. HDR10 compatibility with DCI-P3 wide color gamut and 1,000,000:1 contrast ratio produce incredible cinematic colors with deeper blacks and brighter whites.

UHD60 | Optoma USA

Optoma is getting very serious about home theater. The new Optoma H56 is the strongest evidence of that fact to date. We liked what we saw last year in the earlier edition H55, but with the H56 Optoma takes video performance to a whole new level. It is a beautiful product with very little to complain about, and as of this writing we are enthusiastically adding it to our list of Highly ...
