Past simple and past continuous exercises.

The past continuous describes a longer action or situation and the past simple describes a shorter action or event. When I met Susan she was having a drink at a terrace with a friend. We didn't go out because it was raining. The short action in past simple often interrupts the longer action in past continuous. He was playing football when he broke her arm. When I went to bed, it was raining.

Past continuous and past simple - Test-English

We use the past continuous for actions in progress in the past or longer actions interrupted by shorter actions in past simple. After dinner I went into the living room and saw that she was crying. When she opened the door, we were talking about her. Past perfect We use the past perfect simple to talk about an earlier past: events which happened before the main event.

English Past Simple vs Past Continuous - EnglishTestStore

Past continuous tense is often combined with past simple tense. An example of this combination is: While we were sitting at the stadium, the rain began. The past continuous tense is "were sitting" and the past simple is "began." In this combination, the simple past tense interrupted the past progressive tense action.

Past Continuous Tense Examples - YourDictionary.com

The past continuous emphasises the action or event in progress around a time in the past. The event (working) was in progress at 4 pm. The event was not completed at that time. At 4 pm last Monday, I finished work early and went home. The past simple emphasises the event that happened at a definite time in the past.

Power Point - Englisheasytú

The simple past (also called past simple, past indefinite or preterite) is a verb tense which is used to show that a completed action took place at a specific time in the past. The simple past is also frequently used to talk about past habits and generalizations. Read on for detailed descriptions, examples, and simple past exercises.

Simple Past Tense | ENGLISH PAGE

We therefore use the past continuous. The second action is a short action that has interrupted the first. So for this we need past simple! The regular past simple is formed using ' ed ' and the past continuous is formed using was/were + past participle.
