Text: Oppression is the systemic weight of prejudice and discrimination on the people it affects. Oppression is when prejudice and discrimination are supported and encouraged by the world around you. It is when you are either harmed or not helped by government, community, or society at large because of your identity.

Having Trouble Explaining Oppression? This Comic Can Do It ...

Oppression is the experience of repeated, widespread, systemic injustice. It need not be extreme and involve the legal system (as in slavery, apartheid, or the lack of right to vote) nor violent (as in tyrannical societies). Harvey has used the term "civilized oppression" to characterize the everyday processes of oppression in normal life.[1]

The Nature and Origins of Oppression | Beyond Intractability

In essence, oppression inevitably means losing one's humanity for the power, wealth and status attained from the subjugation of others. It means losing the spiritual connectedness with fellow
