Rethinking Strategic Planning -- An Introduction

part of the wider reform package. ESTABLISH A DESIGN QUALITY UNIT The government's increasing commitment to the importance of good design runs the risk of getting lost in the planning reform. If planning is to be freed-up and sped-up there also needs to be an emphasis on quality of buildings and places, with a heightened role in design-making.

Rethinking how strategic planning gets done. Doug Williamson, The Beacon Group. How business leaders evaluate the landscape, make sense of the environment, proactively shape the opportunities they see and then decide on which course of action to take - in other words, Strategic Planning - deserves far closer attention than it has received so far. There is a strong argument to be made for a more balanced approach - which has proven to produce superior results over time.
