Sticker Art Shapes Alexander Calder

The reusable stickers are actually meant to be placed on "incomplete" works of the art shown in the book so that kids are recreating the art. Ingenius really. When my baby is older, I may need another copy for him to actually play with, but for now it was a great resource in completing a Calder themed room -- quite welcome as there's not much ...

Sticker Art Shapes: Alexander Calder: Delpech, Sylvie ...

Alexander Calder, (born July 22, 1898, Lawnton, Pennsylvania, U.S.—died November 11, 1976, New York, New York), American artist best known for his innovation of the mobile suspended sheet metal and wire assemblies that are activated in space by air currents. Visually fascinating and emotionally engaging, those sculptures—along with his monumental outdoor bolted sheet metal stabiles, which ...

Alexander Calder | American artist | Britannica

For Calder, who two years previously had won the Grand Prize for Sculpture at the Venice Biennale, it was a golden opportunity. Gira, herself an architect, was from a prosperous family known for playing a pivotal role in India's industrial development — as well as its contributions to the country's independence

reveal symbols of people, plants, and animals. Calder even used his prints for political activism—in 1967 and 1969, Calder produced posters protesting the Vietnam War.

Alexander Calder: Lithographs - For Sale on Artsy

The pieces combine black and red shapes and linework to form stylized versions of animals and insects, such as the one-eyed spider above or polka-dotted fish below. Although Goldberg is directly inspired by artists such as Joan Miro, Alexander Calder, and Wassily Kandinsky, he is also influenced by the client work he has completed over the years.

Alexander Calder's prolific and passionate output brought with it a humor and sense of play unlike any art works before. Calder ignored the formal structures of art and in so doing redefined what ...

Alexander Calder | About the Artist | American Masters | PBS

Alexander Calder was an American artist best known for his invention of the mobile and his wire sculptures. "My whole theory about art is the disparity that exists between form, masses, and movement," the artist once said. Born to artist parents on August 22, 1898 in Lawnton, PA, Calder turned to art in the 1920s, studying drawing and painting under George Luks and Boardman Robinson at the ...
