the archive that make it a very subjective and limited source. The repertoire is also subjective, but part of its authenticity comes from the fact that people engage with the repertoire constantly and shift the meaning in a trans-historical sense. No single representation makes the claim to absolute truth about the past.

The Archive and the Repertoire invites a remapping of the Americas based on traditions of embodied practice. Examining various genres of performance including demonstrations by the children of the disappeared in Argentina, the Peruvian theatre group Yuyachkani, and televised astrological readings by Univision personality Walter Mercado, Taylor explores how the archive and the repertoire work together to make political claims, transmit traumatic memory, and forge a new sense of cultural identity.
