### The Relationship Model Of Addictiontm

The Relationship Model of Addiction™ (TRMA™) is a new paradigm for understanding addiction, recovery and treatment that picks up where the Disease Model left off. Its intent is to humanize addiction by highlighting the emotional, psychological, experiential and relationship aspects, and one that applies to everyone and everyone can relate to.

### The Relationship Model of Addiction™: A New Paradigm for ...

The Relationship Model of Addiction establishes a new standard for understanding and treating addiction. It expands the disease concept by re-defining addiction as a relationship. It integrates experiential, humanistic and existential perspectives; sheds light on the emotional and psychological dynamics of addiction; and has powerful implications for treatment and recovery.
