The Revolution: A Manifesto, by Ron Paul | Mises Institute

Ron Paul wrote this book in the midst of his 2007-2008 educational campaign for the Republican nomination. It is a response to the demand from so many to understand the political and economic philosophy that led to his campaign, which was a defining moment in modern libertarian history. The result is outstanding.

The Revolution: A Manifesto | Mises Institute

The title term "Revolution" refers to the grassroots campaign's self-described "Ron Paul Revolution." Their most substantive claim to a revolution is in how Paul's grassroots supporters -- independent of the formal campaign -- organized a pair of fundraising events in late 2007 that set fundraising records.
