Tomorrows God Our Greatest Spiritual

In Tomorrow's God, Walsch offers compelling reasons why adopting this new belief system is in the best interests of humankind -- now. Tomorrow's God contains an astonishing prediction, one that comes from an astonishing source: God. Presented as a conversation between God and Walsch, this startling, profound book is offered in two parts: Part One deals with humanity's current conception of God, and the new ideas about the Deity that will characterize God in our not-too-distant future.
