Yeah, I wish I kept that one instead of replacing it with Briggs Storm Responder 5500. Wheelhouse 5550 was built like Fort Knox, heavy frame, heavy duty components, etc. The only suggestion I would like to make to you is to put some load (i.e. refrigerator or washer) on your generator when testing. Lots of professionals recommend loading testing.

Engine Tuneup for Generac Wheelhouse 5500 / 5550 Portable ...

A 5500 watt generator provides approximately 45 amps, in case of 120 volts or 23 amps in case of 240 volts. In layman’s terms, a 5500 watt generator can run almost any essential household appliance, including: Small window AC unit Fridge with a freezer

FAQ] What Will a 5500 Watt Generator Run? (Jul. 2020 UPDATE)

This generator delivers 6,500 Running Watts and 8,125 Starting Watts of power. A durable wrap-around hand truck frame and 10 in. wheels help protect the unit while making it easy to transport. An Automatic Voltage Regulator ensures reliable and consistent power while preventing damage to the generator and the devices plugged into it.

Generac 5,500-Watt Gasoline Powered Portable Generator ...

The Generac GP5500 (5939) is a powerful portable generator that punches well above its weight - particularly when you factor in the price. Great for power outages at home, it’s also good for DIY and off-the-grid situations like tailgating - but it’s a little on the noisy side for camping.

WheelHouse™ 5550 Watt Generator 3 • When using generator for backup power,notify utility company.Use approved transfer equipment to isolate generator from electric utility. • Use a ground circuit fault interrupter (GFCI) in any damp or highly conductive area,such as metal decking or steel work.

Owner's Manual

Keeping fresh oil in your Briggs & Stratton 5500 portable generator allows the engine parts to be properly lubricated so the generator runs properly. If the oil is allowed to become thick or to dry out, the generator’s internal components may begin to wear down from metal-to-metal contact and then the entire unit will be useless.

How to Change Oil in a Briggs & Stratton 5500 Generator ...
